

## **Coaches:**

**I have enclosed in this packet a program book ad order form. Instead of the one page, double-sided program which we have done in the past, I have partnered with Fenway Printers to put together a professional fifteen page program book which will include the schedule and names of all the participating teams plus the addition of pages for parents, individual teams and companies to advertise and support the competition. Please inform your parents of this new opportunity.**

**Andy Yosinoff**
