Cheer/Youth Competition Categories

Cheer Divisions are divided by grade and age. Select the division which represents the grade level(s) attended by the vast majority of your squad members. The age cut-off date is July 31st. Select the Bronze (B), Silver (S), Gold (G), Platinum (P) or Diamond (D) level for each team competing. Please examine the descriptions of the expected routine components for each category before choosing which level to enter. Note the number of cheerleaders/dancers on each team, and write in an email address for their oral critique to be sent. Check (Club) if your team does not regularly cheer at games. Youth Divisions (A, B, C, D) - Select Level P1, P2, P3 or P4. Dance coaches check off the 'Mat' line if you would like your team to perform on the matted cheer floor instead of the Marley floors.
